

Got Photo?

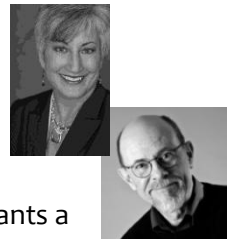

Create a Strong Presence in Social Media with your Best First Impression

It's time to put your best face forward! Do you have the same profile picture of yourself on Facebook, Twitter, LinkedIn and your e-zine? If so, listen up.

Your image is one of your greatest tools for success, both personally and professionally. Are you really leveraging your professionalism by showing the same picture over and over again? What about your videos? Are you sending the appropriate messages with your on-camera image?

You get one chance to make a great first impression especially when so much communication and business is being conducted over the Internet. Based on your photo and/or video, opinions and impressions will be made about your expertise, your intelligence and your likeability.

Kate Leser of The Makeover Expert and Bob Gunter of RGunter Photography have teamed up to create this social media photo package so you can **put your best face forward!**

Our **Got Photo?** package is cost-effective, takes 90 minutes and is for anyone who has or wants a strong social media presence.
